

A WBE Certified Company

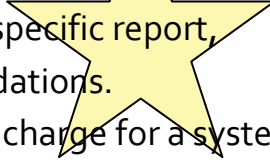

Evens Time wants to share this special offer with you!
If you have an Evens Time supported system Check this out!

\$299 System Check-up!*

We want to help you update your equipment needs by performing a system check-up!

Here is what we are offering you:

- 
- ✓ For \$299 we will perform a system check-up and site specific report, complete with free estimates of technical recommendations.
 - ✓ This includes two hours of discounted labor and a trip charge for a system check-up.
 - ✓ CISP compliance recommendations**
 - ✓ Introduction to new products and services that may benefit your company's needs and customer experience/satisfaction.
 - ✓ Custom report of the following services:
 - Com issues, software, hardware, CISP Compliance, Maintenance Agreement Recommendation for Software and Hardware, Computer Risk Assessment

This offer ends **April 30, 2011**, so contact Karen for your check-up today!

(317) 358-1000 or admin@eventime.com

*This price is for customers within 25 miles of Indianapolis. All customers outside the 25 mile radius will have a higher trip charge, but it will be at the discounted rate of 20% off.

**Evens Time will make recommendations in good faith according to understanding of CISP standards. It is the responsibility of end user to get certified by QSA (Qualified Security Assessor) if desired.
