Dear Friends:

Thank you for your recent gift of \$500.00 to Gleaners. Your donation is helping to make the upcoming holiday season more hopeful for so many hungry neighbors.

Every dollar you have sent will be used wisely to help provide food for children, families and seniors who struggle daily to put meals on their tables. Thank you.

Your compassion and generosity allow us to work hand in hand with food pantries and other hunger-fighting agencies in central and southeastern Indiana. I can promise your gift will make a lasting impact in our fight against hunger.

The selfless commitment of friends like you has given all of us at Gleaners Food Bank - as well as the thousands we serve - a real reason to be thankful.

With gratitude,

Peggy Wulff Blackard, CFRE
Chief Advancement Officer

Note: No goods or services were given in exchange for your gift.
